Have you seen the view from the Tippecanoe River Bridge? The sunset there is lovely. I think it will be a good place for a picnic when the weather permits.

Last time we talked about safety for the users of the trail. This time let's talk trail etiquette. Other trails have found these suggestions to help all trail users to have an enjoyable time.

1. Carry out what you carry in. Leave no trace you were there.
2. Keep pets on a leash.
3. Clean up after your pet.
4. Respect the rights of trail neighbors.
5. Respect the rights of other trail users.

Remember ...

1. Unauthorized motor vehicles are prohibited.
2. Alcohol is prohibited.
3. Firearms are prohibited.
4. The trail is closed from dusk to dawn.

See you on the trail!!
