# Friends of the Panhandle Pathway, Inc

WINAMAC

STAR CITY

THORNHOPE

ROYAL CENTER

KENNETH

We are a non-profit corporation organized to develop, manage and maintain the Panhandle Pathway, the former railroad corridor between Winamac and Kenneth, Indiana. The success of this Pathway is dependent on volunteer members like you. Membership fee's and donations go to help cover operating expenses such as trail development, insurance, and maintenance. Donations may be tax deductible.

## Panhandle Pathway. What is it?

The Panhandle Pathway is a 21 mile linear non motorized recreational trail on the old A & R Railroad corridor.. It runs between Winamac and Kenneth, Indiana (approximately 1 mile west of France Park), passing through Star City, Thornhope and Royal Center.

For more information:

- Call **574-946-4100** or **574 946 4267** or
- Email **tom41n@outlook.com** or **information@panhandlepathway.org**.
- Visit our website at [www.panhandlepathway.org](http://www.panhandlepathway.org)
- Visit us on Facebook at <https://www.facebook.com/PanhandlePathway>

## Benefits of the Panhandle Pathway

- An off road bicycle and walking route linking Winamac, Star City, Thornhope, Royal Center and Kenneth (and eventually Logansport), and other regional bicycle routes and trails
- A place for exercise and recreation.
- A place for schools to supplement educational needs including physical fitness, team training, science, biology and other related fields of study.
- An environment to display local agriculture, north central Indiana life style and country living.
- An area to see the ecology from the early days of the Railroad construction in the 19<sup>th</sup> century.
- A quiet place to enjoy nature, for walking and biking with family and friends.

## Members have the opportunity to

- Receive newsletters and notices of meetings, gatherings and pathway activities
- Take an active role in supporting this Pathway for your community

## Would you please help?

- Please fill out the application on the reverse side
- Become active in the development and management of the Panhandle Pathway.
